Evans Level 360 Snare Drum Upgrade Pack

Just in time for the holidays, the Level 360 Snare Drum Upgrade pack is the perfect way to improve your snare drum with Level 360 Technology™.

This pack provides the perfect opportunity to experience Level 360 and to breathe new life into a drum by outfitting it with fresh heads and snare wires. The combination of changing the snare side head and snare wires, in addition to the batter head, will provide a dramatic improvement in the sound and functionality of any drum.

What's included:

- **B14G1** Evans Coated G1 Snare batter
- **S14H30** Evans Snare Side 300
- **CPS1420** PureSound Custom Pro Steel 20-strand snare wires

Key points:

- Both drumheads feature Level 360 collar
- PureSound Custom Pro snare wire is the best wire available.
- Full upgrade in heads and wires provides dramatic improvement in the sound of the drum
